New Forest

With its flat, open heathland, dense woodland, wild ponies and chocolate-box villages the New Forest is often described as one of the most beautiful parts of Hampshire. It allows visitors to 'get away from it all' with a series of unique, smaller venues for conferences and events.

The New Forest has many popular attractions, including the world famous Beaulieu National Motor Museum and Paultons Park, home of Peppa Pig World.

Exbury Gardens sprawls an impressive 200 acres while across the river sits Buckler's Hard, an 18th century shipbuilding village.

This part of the county mixes rural tranquillity with roaring coastline, perfect for those looking for somewhere different to host their event. It also has a superb selection of accommodation from luxury hotels such as Chewton Glen and Rhinefield House to the smaller boutique venues including Montagu Arms.

Isle of Wight

Isle of Wight is situated just off England's South coast and less than 2 hours from London via the Isle of Wight Ferry, the UK's Holiday Island and Dinosaur Capital of Great Britain.

The Isle of Wight is the perfect destination at any time of year. From historic sites to natural treasures, the Isle

of Wight is a unique destination and hosts a number of major national events. The island is accessible via a short ferry trip from Portsmouth, Southampton or Lymington as well as by the last remaining Hovercraft service in the world for something truly unique!

Basingstoke & Farnborough

Located just 45 minutes from London, Basingstoke and neighbouring Farnborough are becoming popular places to host events. There are a wide choice of venues designed to meet the needs of any business event as well as excellent transport links.

Basingstoke has a lively leisure scene with over 150 places to eat and shop and top quality museums such as Milestones and Basing House. Nearby Highclere Castle has also become popular with visitors as it is the backdrop for TV drama Downton Abbey.

Farnborough is best known for its links to the aerospace industry and the world famous biennial Farnborough International Air Show attracting over 150,000 trade and public visitors. The brand new £30m Farnborough International Exhibition and Conference Centre opens in March 2018, providing 20,000 m2 of flexible event space.

Andover & Test Valley

The picturesque region of Test Valley boasts winding chalk streams, rolling green hills and tranquil water meadows. It is great for those who enjoy outdoor activities such as cycling, fishing or walking. The miles of open countryside are a pleasure to discover either independently or in groups and there are a fine selection of venues to host your corporate conference or event.

Test Valley has a rich heritage which can be seen in its historic market towns and villages, perfect for anyone wanting to plan an event away from the hustle and bustle of city life. This region is great for smaller conferences

and events and visitors can escape from it all at the fine selection of boutique accommodation on offer.

Explore the sprawling Sir Harold Hillier Gardens or historic Mottisfont near Romsey, or come face to face with nature at the Hawk Conservancy Trust in Andover.

Romsey and Southern Test Valley is accessible via the M27 motorway. Andover lies on the A303 and is close to the A34 which connects Southampton to the Midlands. There are also several busy train stations with regular services to other parts of the country.

Petersfield, Alton & East Hampshire

The rolling green hills of east Hampshire were once the inspiration for novelist Jane Austen. This part of the county is very rural, speckled with pretty chocolate-box villages and quaint market towns.

At its centre sits the South Downs National Park, which stretches from Winchester through to Eastbourne in East Sussex. One of the country's newest National Parks, the South Downs is a haven for cyclists, horse-riders, walkers and runners.

Visitors can follow in the footsteps of Jane Austen with a visit to her former home in Chawton. Now an intimate

museum, this quaint cottage showcases historical artefacts such as Jane's writing table and jewellery. In the nearby village of Selborne, naturalist Gilbert White's house is open as a visitor attraction. Explore the impressive gardens, visit his study or browse the adjoining Oates Collection, dedicated to the explorers Frank and Lawrence Oates.

East Hampshire has two major mainline railway stations situated in the towns of Alton and Petersfield. The A3 road runs through east Hampshire, from Waterlooville through to Surrey providing a scenic route for those travelling by car.

Winchester & Central Hampshire

Winchester is the perfect English city nestled on the edge of the South Downs National Park. It is England's ancient capital and former seat of King Alfred the Great.

Winchester boasts ancient venues with modern facilities, from small intimate event space to conference venues for 600 people. With the city's award-winning hotels and restaurants, delegates will never be short of delicious dining options for evening relaxation. If you are looking to accommodate all your delegates in one place the hotels within the area have the answer. For delegates wishing to stay somewhere slightly

smaller, the city's bed and breakfast establishments will be only too happy to accommodate.

Conveniently served by 3 junctions of the M3 and accessible to those travelling from the north via the A34, Winchester couldn't be better placed.

- World famous attractions
- Excellent choice of dining options

Grand Café

SOUTHAMPTON | Non Residential venue

The Grand Café is located within South Western House, a Grade II* listed building that is steeped in history. Once Southampton's grandest hotel, South Western House dates back to 1865 and was used by first class passengers of the ill-fated Titanic. The former Wedgewood Ballroom of the old hotel is now home to Grand Café's wonderfully unique bar, bistro, restaurant and magnificent function room.

The restaurant's design bursts with an eclectic mix of classic British styles and delightful flamboyance, offering an exciting dining area for any event or function complete with the original ballroom dance floor.

The varied function menus are principally European and Mediterranean with all meals cooked to order using locally sourced fish, meats and other seasonal produce wherever possible.

Each year, Grand Café hosts a wide range of events and private functions, which celebrate annual calendar events such as Burns Night, Cheltenham Race Day, St Georges Day and the popular Beaujolais Day. New for 2018 will be the Grand Café Film Club – the curtain goes up on the new programme of events on 4th Feb with an immersive night of film where guest will enjoy watching the iconic film 'Cocktail.' Later in the month diners will enjoy the Faulty Towers Experience - a performance based on the famous BBC TV series. While on April 12th, detective diners can sign up for the Murder Mystery evening "Titanic" on the anniversary of the fateful sinking of the Ocean Liner.

Incentives, Activities & Teambuilding

Whether you are looking to reward your staff, add a team building activity to break up a meeting or entertain your guests, there is plenty to choose from. We work with a number of great team building suppliers and have put together our top ten ideas below.

Sparkling Wine Workshop

Guided by BBC2 and IWC personality of the year, Joe Wadsack and our MD Ian Kellett, enjoy a tutored tasting of Champagne and English Sparkling Wine. The evening will include a tasting where you will look at different levels of dosage and the effect this has on the taste of the wine. You will then get a chance to choose your preferred dosage level and then make your very own bottle of fizz, right down to the cork, foil and labels. The evening includes; sparkling wine tasting, canapes, winery tour, an evening of education and entertainment, as well your own custom made bottle of fizz to take away!

Chocolate Craft

Chocolate Craft are fully mobile and deliver fun and challenging chocolate team building events in the South and beyond. With a range of formats lasting from 1 1/2hrs to a full day you're sure to find a team development activity to suit which is tailored to your needs and your budget. As they are also a chocolate manufacturer counting Fortnum & Mason amongst their customers, you can be sure of a professionally run, great event!

See Southampton Guided Walking Tours

With a huge amount of hidden history in Southampton, what better way to uncover this than through a variety of walking tours. With themes such as the Titanic Trail, Vaults & Vino or Ghastly, Grim & Gory they are sure to entertain and enlighten. Why not finish with afternoon tea or a glass of wine in one of Southampton's historic buildings.

Season Cookery School

Housed in a renovated 17th century well house within the grounds of Lainston House, an Exclusive Hotel. The Cookery School is perfect for a team building, a thank you treat for staff or clients and works perfectly when used exclusively for these types of events. The school also offers pre-arranged classes throughout the year to book individual places.

Dragon Boat Racing

Based on ancient Chinese tradition from some 2,000 years ago, dragon boat racing is a unique and competitive event which really pushes teams to perform at their very best. It's a great way to experience a nail-biting head-to-head competition whilst having fun on the water in a safe environment.

On The Water

Sailing is a superb platform for an interactive hands on event. Sailing requires strong communication and the ability to perform a technical task in a set process. Learnt technique and skill outweigh physical effort. Or why not board a fleet of high speed identical RIBS and blast across The Solent to various destinations. A tablet based Treasure Hunt will involve everybody and is both stretching and entertaining. For the competitive, the tablets feature a live scoreboard featuring the position of the other teams.

Go Ape

For a day out your team will never forget at Moors Valley Country Park or Itchen Valley Country Park. Your day could include a Tree Top Adventure (Fly down zip-wires, leap off Tarzan Swings and tackle obstacles whilst enjoying some of Hampshire's most breath-taking scenery), Forest Segway (For the ultimate forest experience on a rugged all-terrain Segway), mountain biking, a Forest BBQ, welcome drinks and much more.

Country Sports

Experience the great outdoors with a variety of exhilarating outdoor activities suitable for all abilities. The teams rotate around a number of activity zones experiencing the various challenges on offer. Who will be able to score the highest on the Laser Clay shooting or obtain the most bulls' eyes on the Archery? There's only one way to find out...

Bear Grylls Survival

Undertake a range of survival challenges, inspired by some of the greatest explorers of all time. Available in 5 different levels, ranging from level 1- which is indoors and can be held in any conference room, to stage 5 - which would be hosted at one of our venues with outdoor space.

Jungle Rescue

Each participant or team in the event must negotiate their way around a number of challenges in order to gain stars which can then be cashed for currency. This currency is then used in the second part of the event to purchase materials at a jungle auction in order to facilitate the rescue of the team from the jungle. This is a creative challenge that will test your teams planning, decision making and time management skills. It is hands on where teams race against one another to design and build their own bridge to rescue the whole team and cross the finish line first.
